

Shaping the future together for a society worth living in - this is the vision of TH Wildau! As a university of applied sciences, we strive to support social transformations responsibly and with a strong practical focus. We bring technology and management together, turning interdisciplinary spaces into innovative learning environments and fostering creativity in our research and teaching. In the metropolitan region of Berlin/Brandenburg, our campus is renowned as a hub for connection, lifelong learning, and collaboration across diverse (disciplinary) cultures.. With its state-of-the-art facilities and 19th-century industrial architecture our campus also symbolizes what is important to us as experts and as people: we connect!

**We would like to strengthen our team in the Faculty of Business, Computing and Law with the following position:**

## **Professor (f/m/d)**

(Salary W2 BbgBesO)

**in the field of Civil and labour law**

(reference number WR7)

### **Your areas of responsibility**
